July Flew By!

Take a look at the events, partnerships, and milestones that made this month one to remember and see what's coming up in August!

Ashley Krug presented an SAT/ACT Prep workshop at Katy Branch Library, helping teens prepare for college entrance exams with practical strategies, study tips, and test-taking resources.

A Month of Momentum

Hannah Kumba visited South Houston Branch Library to introduce patrons to Per Scholas, a nonprofit organization that provides free technology training, professional development, and connections to employers for careers in the tech industry.

Patrons at Katy Branch Library gained valuable financial literacy insights during a presentation led by investment advisor David Semga.

What was your biggest accomplishment this month?

"My biggest accomplishment was stepping into the shoes as a college and career recruiter to reach out to vendors for our resource fair. I'm fascinated with stepping into a new role and see where this takes me. Talking with different organizations and companies, getting them to collaborate with Future U and come support us at one of our events was really nice and rewarding". -Lolita Butler

Patron Praise

"Ms. Butler was very helpful! Pleased with the services. Looking forward to our next session for interview practice".
