

WHO ARE WE

Our priority is to provide healthcare services to underserved or disadvantaged communities.

Christ Clinic is a local 501(c)3 non-profit clinic that can provide your uninsured and underinsured employees and their families with access to primary care and mental health counseling that they wouldn't otherwise be able to access and/or afford.

Christ Clinic began in 2000 as an outreach ministry in Memorial Lutheran Church in Katy and provided care for over 7,000 patients in 2022.

WHY ESM?

Employer Sponsored Membership (ESM) program

As you know, a healthier workforce is a much more productive workforce, and if your employees are either worried about their own health or that of their families, they can either be distracted from their work duties, or not present at work at all.

Since some of your population is not benefit eligible (part-time, for example), or electing a high-deductible plan option that is difficult to afford based on their income, the Christ Clinic Employer Sponsored Membership can offset many of these gaps.

MEMBERSHIP PROCESS

Distribution

01.

Determine all eligible employees for membership – uninsured, part-time and current high-deductible plan employees. Distribute education and election/waiver forms to complete.

02.

Provide

Provide Christ Clinic with a listing of total eligible population, listing those employees electing or declining Membership.

03.

Contribution

Based on enrollment, monthly contribution will be \$40 per Employee, \$40 per Spouse, and \$30 per child.

04.

Adjustments

Monthly adjustments will be a streamlined listing of participants to be adjusted for additions and deletions.

05.

Utilization

As employees utilize the clinic, they only pay \$5 per visit, will receive highly discounted Prescription Drugs, and huge discounts for Lab Services (usually 80%+).

PARTNERS

Christ Clinic currently partners with and is supported by such organizations as Houston Methodist, Memorial Hermann, MD Anderson, The Rose, and Katy Christian Ministries.

Many of Christ Clinic's current patients have been coming from such area employers as Rooms To Go, Amazon, and Katy I.S.D.

Please let us know when you would like to get started!
